Welcome to Indira College Lalji Ki Dungari Library, a dedicated resource center designed to support our faculty members, students, and teacher educators. The College has a well spacious library as its basic component as the means for providing knowledge to its learners. The library is **fully air-conditioned**, and is equipped with a vast and extensive collection of approximately 8596 books documents spanning various disciplines, our collection primarily focuses on Education, Teacher Education, Science, Social Science Language, and Commerce. We offer a diverse array of materials, including books, Encyclopedias, Journals, and educational reports, while also subscribing to several national journals. The library is equipped with e-library subscription (DELNET), which is a source of various on-line learning materials, offered by different institutions. Our library features multiple reader-friendly spaces, including a reading hall and reference corner, ensuring a comfortable and productive environment for all users.
